-All players hit their own ball from the tee box.
MEN play from the back tees. Ladies & those 65
years & older will play from the front tees.

- The players decide which shot is the best and
select that spot to hit from.

- All players then play the next shot from the
position of the selected ball, placing their ball
within

one club length of the spot.

- If a selected ball is in a hazard (bunker), all balls
must be played from within the hazard; players
may rake between shots.

- On the putting green, all balls must be placed on
the spot where the selected ball lay.

- The ball must be hit from the same condition
that it came to rest. Example; a ball hit in the
rough must stay in the rough.
