- All players hit their own ball from the tee box. Men play from the White Tees, golfers 65 and older play from the Yellow Tees, and ladies play from the Red Tees. The team selects the best shot, and all players play their next shot from that location.
- All players then hit their next shot from the position of the selected ball, placing their ball within one club length of that spot.
- If the selected ball is in a hazard (bunker), all balls must be played from within the hazard. Players may rake between shots.
- A maximum score of bogey is allowed on each hole. If your team does not make par, please pick up your ball and proceed to the next hole.
